Clockphone™

The Clockphone is designed to ensure the guests to acquaint the time freely. The accurate LED clock with the time-adjust by cloner in centralisation brings great convenience to hotel. The line powered technology supports the clock work well for long time and solves the problem of clock external power. The Clockphone has been becoming the new standard of the guestroom phone.

Magic-Faceplate™

The unique membrane keypad is soft touch, back-lit, waterproof and easy to clean. The life of membrane keypad is much longer than the regular keypad.

SOS call™

"Emergency button"--The special feature in Bittel bathroom phone, you can store the emergency number in advance, when something unexpected happens, the guest can press the button for SOS call.
