### EZ Message Light™

"MWL with message retrieval function": Traditional voice mail service is very troublesome. Guest doesn't know how to use when MWL flashes. While our new MWL adopts patented technology of "light and key in one", guest touches and retrieves message when the red MWL flashes, very convenient, simple and quick.

### Clockphone™

The Clockphone is designed to ensure the guests to acquaint the time freely. The accurate LED clock with the time-adjust by cloner in centralization brings great convenience to hotel. The line powered technology supports the clock work well for long time and solves the problem of clock external power. The Clock phone has been becoming the new standard of the guestroom phone.
